SELF GUIDED EXPLORATION: GIS MAPS & STORY MAPS

Settlement maps show names, lots and concessions from 1825. Story maps tell details of the emigrant's journey in 1825 from Ireland to Peterborough. An excellent source for personal and family research from afar and also for those looking to explore the region independently.

We invite you to visit other communities and organizations who are commemorating their historic connections to the Peter Robinson Emigration throughout the year. Please refer to our 2025 Community Events Calendar for more details.
