EDITOR'S NOTE **FROM THE DESK OF MOLLIE MALONE**

It's just before 1825. An Emigration notice has appeared in the Irish Times. Word is spreading quickly throughout the Blackwater Valley in County Cork and beyond. How many people will apply for this experimental scheme?

'I AM OF IRELAND'

When I was young, I was often asked if I was from Downeyville. It was an honest question since most of my friends and relatives were from Downeyville. However, my family lived in Lindsay. We went to school & church at St. Mary's in Lindsay; so we thought of ourselves as being from Lindsay.

Still, most, if not all of my great, great grandparents were Irish immigrants who settled in and around Downeyville. Half the people in Downeyville are related to me.

So, when asked if I was from Downeyville, I liked to say, "I'm not from Downeyville, but I'm **of** Downeyville".

In this year of celebrations for the 200th anniversary of the Peter Robinson Immigration, I think that we, the fourth, fifth and even sixth generations of Irish Canadians can truly say that we are not from Ireland, but we are Of Ireland.

**"I am of Ireland,
And the Holy Land of Ireland,
And time runs on", cried she,
"Come out of charity And dance with me in
Ireland"**

A BIT OF BLARNEY

Irish blarney, also known as the “Irish bull” has been defined as the saying of a thing in an obscure way to make your meaning clearer than if you had put it in plain language.

I like living in Dublin because all my enemies are about and it’s very cosy. by: Brendan Behan

The best thing about family is that they are always there when you need them. The worst thing about family is that they are always there when you don’t need them.

Commemoration Mass, January 1, 2025.

On behalf of the Peter Robinson 200th Anniversary Committee, I would like to thank Father Orube for the insightful sermon which he gave at the Commemoration Mass, January 1st, 2025. Father persevered even though he was under the weather, truly an inspiration.

We would also like to thank Joan Herlihey for her original lyrics in the song dedicated to our ancestors, such a beautiful and heartfelt tune; one of courage, commitment and hope.

Downeyville is filled with so many people who calmly and quietly step in to help at all stages of our lives, the lessons taught by Ireland's own have endured to this day. Thank you all for being such a welcoming, friendly and helpful community.

Happy New Year to everyone. We look forward to a year filled with remembering our courageous settlers.

Mary Jane Connell,
Chairperson
